

PROVIDED, NEVERTHELESS, that it shall at all times be lawful for US, Our Heirs and Successors, or for any person or persons acting in the behalf by Our or their authority, to resume any part of the mid lands which it may be deemed necessary to resume for making roads, canals, bridges, towing-paths, or other works of public utility or convenience; so nevertheless that the lands so to be resumed, shall not exceed one-twentieth part of the whole of the lands aforesaid, and that no such resumption shall be made of any lands on which any buildings may have been erected, or which may be in use as gardens or otherwise for the more convenient occupation of such buildings.

PROVIDED, NEVERTHELESS, that it shall at all times be lawful for US, Our Heirs and Successors, or for any person or persons acting under Our or their authority, to enter into and upon any part of the said lands, and to raise and get thereout any gold or silver ore which may thereupon or thereunder situate, and to use and enjoy any and every part of the said land, and of the easements and privileges thereto belonging, for the purpose of such raising and getting, and every other purpose connected therewith, paying in such respect of such raising, getting and use, reasonable compensation.

PROVIDED, NEVERTHELESS, that it shall at all times be lawful for any person duly authorized in that behalf by US, Our Heirs and Successors, to take and occupy such water privileges, and to have and enjoy such rights of carrying water over, through, or under any parts of the hereditaments hereby granted, as may be reasonably required for mining or agricultural purposes in the vicinity of the said hereditaments, paying therefor a reasonable compensation to the aforesaid Robert Paterson Rithet, his heirs or assigns.

PROVIDED, NEVERTHELESS, that it shall at all times be lawful for any person duly authorized in that behalf by US, Our Heirs and Successors, to take from or upon any part of the hereditaments hereby granted, without compensation, and gravel, sand, stone, lime, timber, or other material which may required in the construction, maintenance, or repair of any roads, ferries, bridges or other public works.
